Apartment T1 in Downtown

New development with a premium location in the heart of Baixa.
This is the rehabilitation of a Pombaline building that will be transformed into a residential condominium with 18 apartments distributed by various typologies between T0 and T3.
The rehabilitation project aims to preserve the historical characteristic of the building but bet on the choice of quality materials bringing comfort to the new owners, keep the ceilings high in order to let in a good luminosity.
Downtown Lisbon is the historic center of the city, where cultural heritage and tourist attractions are present on every street.
Surrounded by commerce, restaurants, public transport and a few steps from Terreiro do Paço that directs visitors from the city to the Tagus River.
Completion of the work planned for Q3 2023
(Images are examples of the final product)
