2 bedroom apartment in Campo de Ourique

A rebuilt mansion in lisbon's most dynamic and coveted neighborhood. A light-filled building with exposure to the east and west.

The project has 6 apartments of typology T0 to T2 all with balcony or patio. The building, a former 19th-century mansion that became a bakery in the early 20th century, was completely rebuilt.

Located in Campo de Ourique overlooking Monsanto Park, the building is less than a 10-minute walk from schools such as Salesians and Redbridge School, Mercado and Parada Garden. The French Lyceum is a 15-minute walk away.

It is also close to the Docks of Alcântara, one of the main entertainment centers of the Portuguese capital. Finally, the green corridor of the Alcântara Valley, an urban requalification project underway by the Lisbon City Council, is very close.
